

MOR-PSVL

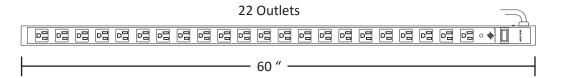

Vertical Rack Mount Power Distribution Strip

Features

- Reduces wiring clutter by enabling simple power cable routing of up to 22 components
- 15A Circuit breaker and/or 400V surge suppression protects equipment from harmful spikes and overload
- Illuminated On/Off switch provides quick identification of power status
- Sturdy metal housing mounts easily to equipment racks, production carts, raceways and workbenches
- Long electrical cords simplify installation
- UL compliant UR approved
